Horley Carnival is back again next year! The date for your 2019 diary is Saturday 15th June 2019, same timings: 12-5pm, in the A23 Horley Recreation Ground!

We detail below a short questionnaire which will enable you to register your interest for 2019. An early response will help us plan your participation to ensure the event is even better than last year. At this stage, we're looking for expressions of interest; once we have this information, we'll send out full details on each aspect.

The Carnival Theme this year will be '*Moments in History*' which again gives plenty of scope for imaginative ideas with floats in the procession. The 2018 Parade was even better than 2017, with many new entries including some additional schools. The Parade is almost reaching the stage that it will be first come, first served! Floats and walking entries will be judged at the assembly point. There will be prizes for junior and senior categories, as well as for the Best Dressed Parade Entry and Most Humorous Parade Entry.

Due to limited space, there will be a limit to the number of stalls that we can book so book early to avoid disappointment! We will be giving out allocated numbered stalls.

There will also be arena events offering entertainment for all.

There will be updates posted on the Carnival Facebook Page
