Dear Mr Boarder

Three Arch Road: Proposed Applications for the Deregistration and Exchange of Common Land

Horley Town Council welcomes the opportunity to make comment on the proposed applications for the deregistration and exchange of common land required to facilitate the Three Arch Road junction improvements.

Horley Town Council supports the aims of the scheme in principle, as the flow of traffic should improve and it would assist emergency services accessing the hospital. However, there were concerns regarding loss of on-street parking for the residents on the south side of Horley Road. It was also noted that land would be taken from the allotment site and the Town Council would like to ask what alternative plans are being considered for those allotment plot holders.

Thank you for giving Horley Town Council the opportunity to make our comments and we hope these will be considered and addressed as part of the consultation.

Yours sincerely
