Please tell us below if you have any further comments:

The current issues are lack of maintenance for existing rights of way, for example footpath 387 (what3words flip.swaps.pumps to inches.years.soda). The only indication that there is a footpath there is the finger signs, however the path has been taken over by the undergrowth. We would also like an update on public footpath 392 (what3words begins.pets.tricks) across the railway line from Orchard Drive to Balcombe Road.
